"We started with few sessions in late April, which has now reached to 100 sessions. The idea was to create a knowledge-exchange platform for the banking ecosystem to provide fresh thinking in the Covidian era for making a resolve to recover and reimagine business for the world that has changed for ever. Without the support of all 40+ speakers, this milestone would not have been possible," Mr Mani Mamallan, founding Chairman and MD of EPS shares on the completion of 100 sessions.

The dialogue series, earlier known as #Covid19SpecialViewpointSeries and started as a part of Covid19 response initiative in April 2020, has already hosted more than 40 top speakers from the Banking industry who shared their insights, viewpoints, ideas, opinions, and inputs on subjects focused on the implications of the pandemic-induced economic shock on the banking and financial institutes and the way forward to combat the crisis, stage a recovery and chart growth. More than 4000 viewers have attended these sessions and shared 4+ million impressions on digital channels of EPS.

The galaxy of speakers include the Deputy Governors and Executive Directors of RBI; MD & CEOs of major banks, former NPCI leaders, Chairman of IDRBT & IBA, CEOs of payment

banks, Investment Bankers, Partners of consulting majors. Speakers include – R Gandhi, Harun R Khan, G Padmanabhan, A P Hota, V G Kannan, Mohan Tanksale, S Ganesh Kumar, Dr Rajendran, Sudhakar Kaza, B Sambamurthy, Suresh Sethi, Mrutyunjay Mahapatra, Udayan Goyal, Vineet Rai, Sushma Kaushik among others.
